

New Member Benefit

Discount Computer Hardware and Software

In our efforts to provide you additional benefits to assist you in your personal endeavors as well as your CAP missions we are pleased to announce a new member benefit. Consistent Computer Bargains, Inc. now provides CAP members and units the opportunity to purchase computer hardware and software at non-profit discount prices. A list of available products can be obtained at www.Icomputerbargains.com To make a purchase contact Tom Haven at 1-800 342-4222 ext 112 do not order online. This arrangement allows for purchases not only for unit computers but also for member's personal computers.
